I.)	AGREEMENT BETWEEN ST FRANCIS COLLEGE AND THE UNDERSIGNED	
1.	Declaration and Undertaking: I declare that the particulars furnished on this form are true and correct, and I undertake to comply with the rules, regulations, decisions and policies of the school, and any amendments thereto, which may be applicable to learners and parents in general. I declare that I have perused the applicable school rules and policies and understand the contents thereof and accept it as binding on myself and the learner concerned.	Initial Here
2.	School Fees: I declare that my child is attending a private institution which relies on the regular monthly payment of school fees as stipulated in this agreement. I consent to an affordability check and sharing of my personal information with a third party for the purpose of arrears/legal debt collection. I understand that non-payment of school fees is a breach of the agreement.	Initial Here
	I have taken note of the school fees as published and available from the school office. I have read, understood, and accept the financial policy of the school. I accept full responsibility for all amounts due to the school and I agree to pay the school fees strictly according to due dates, failing which the account will be handed over to debt collectors and that I will be liable for the collection costs.	
	No learner with an outstanding balance for the previous year will be re-registered unless the outstanding balance is paid in full. Should school fees be in arrears, the school reserves the right to deny learners access to aftercare, transport, trips and excursions and school functions. School fees are payable monthly in advance, on or before the 7th of each month.	
	The school reserves the right to not accept a registration based on affordability, academic and disciplinary record and incomplete application. Payment by debit order is the mandatory method of payment. The school has the right to change reregistration fee annually for current learners to reserve space for the following academic year.	
3.	Indemnity: I hereby give permission that he/she may attend any excursion organised by the school with the permission of the principal. I understand that he/she will sometimes have to travel by bus or taxi to different venues of educational value. These trips will have to be paid for when organised. The school will use the best transport available at the lowest cost. I accept that the school will take the necessary precautions to ensure the safety of my child. I will, however, not hold the school responsible in case of an accident, loss of limb or life, or any other damages to her/his person or property. I also understand that this arrangement is necessary because it is sometimes difficult to get hold of parents to sign a letter of consent before a trip can take place. In such instances the child is unfairly prevented from attending a trip.	Initial Here
4.	St Francis College Values: I undertake to uphold the values of the school whenever I am involved in school related functions or activities. I will also be available to attend parents' meetings and functions to support the education of my child.	Initial Here
	I will respond timeously to letters, e-mails, SMS, and calls made by the school. I undertake to keep all personal contact details always updated.	

Please note that registration is only confirmed when the application has been authorized by the school principal. The applicant will receive a letter if they have not been accepted for final admission to the school.

I hereby authorize St Francis College to issue and deliver a debit order payment instruction to your banker for collection against my abovementioned account and Bank indicated above, on condition that the sum of each payment instruction and frequency of payment requests will never exceed the obligations as agreed and defined in the School Fee Agreement specified.
